wipeX.co.uk
The Quality Wiper Specialists

OUR STORY

We have over 30 years in the wiper manufacturing and retailing market place. We are still a family run business which means we are still able to offer every customer the service and product they deserve

Wipex Limited has had many years developing and retailing wiper products to companies and individuals across the globe. We are highly experienced in this industry, which has helped us gain our reputation for not only high quality equipment but also a high level of service to keep up with our customer requirements in this highly competitive market place

We offer a range of pushrod kits for the UK, US & European markets

Our products are used daily throughout the world
